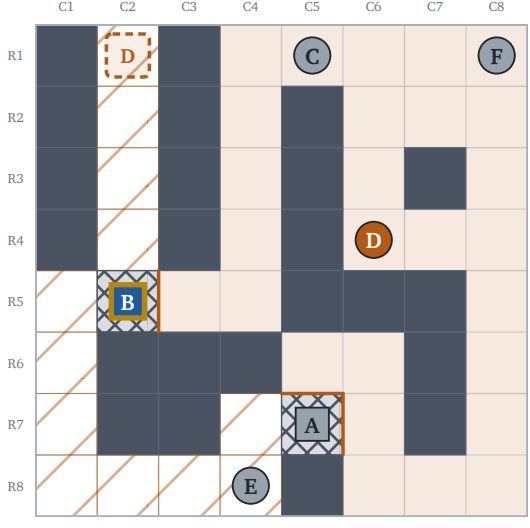
One fork, two choices

DeepSeek, six players, S3 board 14: B's next turn after stepping onto its own target, the corridor entrance

(a) freeform, after move 54: B declares done



B `move 44`

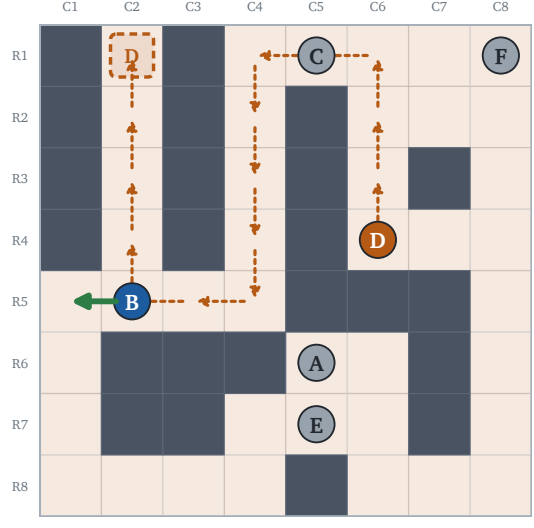
"… D: R5C2 stays clear this turn, and I'll yield it for your … transit before settling. …"

B `after move 54`

done

D and E can no longer reach their targets; the team plays 30 more moves and loses after move 84.

(b) hybrid, move 56: B steps off its target



B `move 50`

"… D, this blocks (R5,C2) temporarily; I'll move left to (R5,C1) as soon as you signal you're ready to pass through to (R4,C2). …"

B `move 56`

"I'm stepping B left to (R5,C1) to clear (R5,C2) for D's climb to (R1,C2) …"

B declares done after move 103; the episode is won in 110 moves.

declared done: object frozen (square), cell walled
