25	B	“D, I'll temporarily move right to (R5,C6) when you reach (R6,C5) so you can climb through (R5,C5), then return.”
30	B	done
31	D	“B, I know you're done at (R5,C5), but it's the only gate to my goal. Please step right to (R5,C6) when I reach (R6,C5)”
37	A	“B and F, you are done, but your cells (R5,C5) and (R8,C7) block my only routes to (R6,C3). If B can temporarily step aside from (R5,C5), I can pass and you can return.”
46	C	“B, your done at (R5,C5) still blocks the only upper corridor”
49	GM	`Cannot move A left: (R5,C5) is occupied.  …  Too many invalid moves`
